

REPUBLIC OF THE PHILIPPINES  
PROVINCE OF PANGASINAN  
**MUNICIPALITY OF ANDA**  
OFFICE OF THE MUNICIPAL MAYOR

**EXECUTIVE ORDER NO. 81**  
**Series of 2020**

**DECLARING ONCE A WEEK AS THE REGULAR CLEAN-UP DAY THROUGHOUT  
THE MUNICIPALITY OF ANDA, PANGASINAN TO MITIGATE, REDUCE  
AND CONTROL THE SPREAD OF DENGUE VECTOR MOSQUITOES,  
CREATING FOR THE PURPOSE A TASK FORCE ON THE ANTI-DENGUE  
INTENSIFIED CLEAN-UP DRIVE, PROVIDING APPROPRIATE ACTION THEREOF  
AND FOR OTHER PURPOSES**

**WHEREAS**, Section 16 of Republic Act 7160, otherwise known as the Local Government Code of 1991, mandates every local government unit (LGU) to promote, among others, the health and safety of every constituent under its respective territorial jurisdiction by providing measures to prevent and control the spread of diseases and provide assistance to those afflicted;

**WHEREAS**, the dengue scourge is a major public health concern as it remains a cause of mortality and morbidity in the Philippines considering that this virulent disease is endemic in many of its regions, provinces, cities, municipalities and barangays;

**WHEREAS**, the current situation warrants a shift from focusing primarily on attempting to contain outbreaks to taking steps to reduce the impact in communities via the implementation of preemptive measures, specifically by strengthening the response to *Aedes*-borne viral diseases present in the country;

**WHEREAS**, environmental sanitation and management is still generally deemed as the most effective way of eliminating and destroying the breeding sites of dengue vector mosquitoes – *Aedes aegypti* and *Aedes albopictus* – and as preventive measure, can be achieved and sustained thru the committed, active participation of all stakeholders at the lowest level of the community;

**WHEREAS**, the LGUs need to intensify its anti-dengue campaign by setting aside a certain day every week to bring focus to this vector-borne disease and its prevention so that the very people in the 18 barangays of the municipality will join the weekly clean-up drive with utmost vigilance and affirm it as a regular activity of the municipality;

**NOW, THEREFORE, I, JOGANIE C. RARANG**, Municipal Mayor of Anda, Pangasinan, by virtue of the powers vested in me by law, do hereby ORDER:

**SECTION 1. DECLARATION OF CLEAN-UP DAY.**

Once a week is hereby declared as Regular Clean-up Day throughout the Municipality of Anda, Pangasinan, wherein as intensified clean-up operation and elimination of mosquito-breeding places shall be regularly conducted municipal wide to mitigate, reduce and control the spread of dengue vector mosquitoes.

**SECTION 2. MANDATE.**

The eighteen (18) barangays of the municipality of Anda, Pangasinan are hereby required to conduct an intensified clean-up drive once a week in their respective territorial jurisdictions and Punong Barangay shall initiate such community-based clean-up drive, making it a regular activity.

OFFICE OF THE MUNICIPAL MAYOR

**SECTION 3. MANDATORY CONDUCT OF WEEKLY CLEAN-UP DRIVE.**

Due to the correlation of sanitation and environmental issues to the spread of dengue, the weekly clean-up drive shall be mandatory in nature and conducted thoroughly in all barangays comprising every level of Local Governance, thus the Municipal Mayor, Punong Barangays shall lead, with the active participation of the Municipal Councilors, SK Federation, Brgy. Kagawads, in the implementation of the following:

- Enforcement environmental sanitation such as dredging/clearing of clogged canals, esteros, and other waterways, pruning/cutting of overgrown/thick bushes, plant foliage/vegetation and tree branches, and removal or draining of water-collecting receptacles like old tires, tin cans, plastic containers, etc, that contain stagnant water;
- Search and destroy operations of all potential breeding places of dengue vector mosquitoes; and
- Massive conduct/reiteration of information drive on environmental control and how to eliminate the breeding sites of vector mosquitoes especially in endemic areas to heighten the awareness of the public on dengue and how to contain it.

**SECTION 4. COMMUNITY PARTICIPATION.**

Dengue is a community-based problem, therefore, its mitigation, reduction, and control should or must be a community effort. All sectors of the community must be involved and participate in the weekly clean up drive and their social consciousness intensified to successfully prevent the spread of dengue vector mosquitoes.

Towards this end, it is the responsibility of the LGUs to engender advocacy among their constituents to actively participate in their community's drive against dengue, to tap the support of the socio-civic and business sectors to generate various forms of resources such as volunteers, medicines and medical supplies, IEC materials and the like.

Likewise, the LGUs are responsible for mobilizing into action the different sectors in their localities, along with resources, as they initiate/spearhead and coordinate efforts in the conduct of activities geared toward the cleanliness of their communities and those that promote wider public awareness on dengue fever and how can it be prevented.

**SECTION 5. CREATION OF ANTI-DENGUE TASK FORCE.**

Task Force Anti-Dengue Intensified Clean-up Drive is hereby created and shall thereafter be known as FF ADICUP, with the following composition;
