

REPUBLIC OF THE PHILIPPINES
PROVINCE OF PANGASINAN
MUNICIPALITY OF ANDA
OFFICE OF THE MUNICIPAL MAYOR

EXECUTIVE ORDER NO. 06
Series of 2021

**AN ORDER UPDATING THE STANDARD EARLY WARNING SYSTEM FOR TYPHOON
IN THE MUNICIPALITY OF ANDA, PANGASINAN**

WHEREAS, it is declared policy of the State to uphold the people's constitutional rights to life, health, safety and property and to promote the general welfare of its people at all times, especially during disaster and calamities;

WHEREAS, the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) is the agency of the government mandated to observed and report the weather of the Philippines and specified adjacent areas, and to issue forecast and warnings of weather and flood condition affecting safety, welfare and economy;

WHEREAS, the Municipality of Anda, thru the Municipal Disaster Risk Reduction and Management Council (MDRRMC) is the entity mandated to establish a municipal early warning and emergency system to facilitate dissemination of Public Storm Signals (PSWS) raised by the PAGASA;

WHEREAS, as rainy season was officially declared by PAGASA, there is a need to adopt a Standard Early Warning System for Typhoon in the Municipality by using the municipal siren to prepare and prevent casualties and minimize loss of lives and property during the rainy season.

NOW THEREFORE, I, JOGANIE C. RARANG, Municipal Mayor, by virtue of the powers vested in me as the Local Chief Executive of the Municipality of Anda, Pangasinan, do hereby order;

SECTION 1. USE OF THE FOLLOWING INDICATORS FOR THE EARLY WARNING SYSTEM FOR TYPHOON

the following Indicators shall be used to facilitate dissemination of Public Storm Warning Signal (PSWS) which will be done at 6 o'clock in the morning if there are typhoon signals;

- a. One (1) 20 second continuous siren blast connotes PSWS No. 1;
- b. Two (2) 15 second continuous siren blast connotes PSWS No. 2;
- c. Three (3) 15 second continuous siren blast connotes PSWS No. 3 or 4;

At the barangay level, simultaneous with the siren blast in the Municipal Hall will be the ringing of bell (batingting) in the barangay using a standard form for warning the general public for the typhoon signals:

- a. One (1) 20 seconds continuous striking of the batingting connotes PSWS No. 1;
- b. Two (2) 15 seconds continuous striking of the batingting connotes PSWS No. 2;
- c. Three (3) 15 seconds continuous striking of the batingting connotes PSWS No. 3 or 4;

At the same time, the Operations of the Anda municipal DRRMC shall operate the siren using the following times standards:

- a. One (1) 20 second continuous siren blast connotes PSWS No. 1;
- b. Two (2) 15 second continuous siren blast connotes PSWS No. 2;
- c. Three (3) 15 second continuous siren blast connotes PSWS No. 3 or 4;

REPUBLIC OF THE PHILIPPINES
PROVINCE OF PANGASINAN
MUNICIPALITY OF ANDA
OFFICE OF THE MUNICIPAL MAYOR

SECTION 2. RAISING OF PUBLIC STORM WARNING SIGNAL

In the event that lower Public Storm Warning Signal is raised to a higher signal during the day, same execution of warning system shall be made simultaneously on that time.

SECTION 3. EVACUATION DRILL

The Municipal siren will also be used if there are evacuation drills which are usually a one-minute siren or bell ringing anytime of the day.

SECTION 4. REPEAL

All issuances, orders, rules and regulations or parts thereof, inconsistent with this Executive Order are hereby repealed, amended or modified accordingly.

SECTION 5. EFFECTIVITY

This Executive order shall take effect immediately.

Done this 7th day of January 2021 at Anda, Pangasinan.

JOGANIE JO RARANG
Municipal Mayor
